1.4 Approval of the regulation 2024 under choice-based credit system for UG and PG programmes.

Discussion on new Regulation which is to followed from next year was made and the following suggestions were given on new regulation.

- i. To clarify the CGPA to percentage conversion.
- ii. To choose the EEC Course based on the available faculty ratio or to engage industrial expert.
- iii. A detail session to be conducted for the scope of employable opportunity on their completion of course on various domain.
- iv. To introduce self-study course in place of professional elective and no change in core courses
- v. Student to learn NPTEL or Swayam course in place of Professional elective to improvement their competency.
- vi. To follow the pre requisite study for essential courses.

1.5 Approval for one credits / online courses / Value added courses

The members approved the proposed value-added courses and suggested to choose the advanced topics as value added courses. Attached Annexure – VI.

1.6 Any other relevant points

The expert members suggestions are:

Dr. T. Sentilvelan had suggested following points

- To prepare the department vision and mission by getting feedback from stake holders.
- To reconsider the number of PSO's and that will be mapped with All CO's, PO's, PEOs upcoming regulations.

The Kavery Engineering College
