Opening Meeting:

Principal/ The Kavery Engineering College addressed to all the members of the Boards of Studies in the opening meeting. Principal briefed the major agenda of the meeting and elaborated on the common guidelines to be followed. The salient points with respect to the Autonomous Regulations 2024 were presented by the principal.

Meeting of the Computer Information & Communication Board:

Dr. M. Balamurugan, Chairman/BoS welcomed the members and presented the draft curricula and syllabi under Autonomous Regulation 2024 of UG and PG programmes.

The board discussed and approved the following points as per the agenda:

2.1 Discussion and Approval of Curriculum under the Autonomous Regulations 2024

- Object Oriented Programming (OOP) and the associated laboratory have been included in the 3rd semester of the B. Tech Artificial Intelligence & Data Science programme, aligning with the curriculum of other programmes.
- An Idea Lab carrying 1 credit has been included in the 4th semester for B.E. CSE, B. Tech IT, and B. Tech AI&DS programmes.
- The Database Management Systems course has been moved from Semester 5 to Semester 4 for B. Tech AI&DS.
- A Mini Project with 2 credits has been added in the 6th semester for B.E. CSE, B. Tech IT, and B. Tech AI&DS.
- Soft Skills has been introduced in the curriculum from Semester 3 to Semester 6 across B.E. CSE, B. Tech IT, and B. Tech AI&DS programmes.
- In the 8th semester, two additional courses (each with 3 credits) have been

included.

- The Professional Electives have been categorized into four streams to provide specialization options.
- Open Electives include Computer Science Engineering subjects made available for students from other branches.
- The committee reviewed and approved the syllabi for Semesters 3 to 8 for B.E. Computer Science and Engineering, B. Tech Information Technology, and B. Tech Artificial Intelligence & Data Science for students admitted from the academic year 2024–2025 onwards.

2.2 Approval of the syllabi for 3rd to 8th Semester for B.E Computer Science Engineering, B. TECH Information Technology, B. TECH Artificial Intelligence & Data Science programmes for the students admitted in the year of 2024 – 2025 onwards

- The members reviewed syllabus 3rd to 8th Semester for B.E Computer Science Engineering, B. TECH Information Technology, B. TECH Artificial Intelligence & Data Science programmes and resolved to approve the same.

2.3 Approval of the syllabi for 3rd to 4th Semester for M.E Computer Science Engineering programme for the students admitted in the year of 2024 – 2025 onwards.

- An Internship component has been added in Semester 3 for both M.E. CSE and MCA programmes.
- The committee reviewed and approved the syllabi for Semesters 3 and 4 for the M.E. Computer Science and Engineering and Master of Computer Applications programmes for students admitted from the academic year 2024–2025 onwards.

Opening Meeting:

Principal/ The Kavery Engineering College addressed to all the members of the Boards of Studies in the opening meeting. Principal briefed the major agenda of the meeting and elaborated on the common guidelines to be followed.

Meeting of the Electronics and Communication Engineering Board:

Mr. B. Suresh Kumar, Chairman/BoS welcomed the members and presented the draft curricula and syllabi under Autonomous Regulation 2024 of UG and PG programs.

The board discussed and approved the following points as per the agenda:

2.1 Discussion and Approval of Curriculum under the Autonomous Regulations 2024

B.E Electronics and Communication Engineering

- From 3rd to 6th semester Soft- Skill Courses are included as Mandatory Courses.
- In the 4th semester Image Processing and Image processing laboratory are added.
- Idea lab is included in 5th Semester in the curriculum with 1 credit.
- Java Programming, Analog and Digital Communication are added as Theory with practical Courses in 5th Semester.
- Internship is added in 5th and 7th Semester in the curriculum with 1 credit each.
- In the 6th semester Microwave and Optical Communication and its lab are added.
- Mini project is introduced in 6th semester with 2 credits to enhance Students foundation for project ideas.
- In the 7th semester, Wireless and mobile Communication is given as integrated course with 4 credits.

The Kavery Engineering College

Mecheri, Salem Dt, Tamilnadu- 636 453.

(Approved by AICTE, New Delhi & Affiliated to Anna University)

An ISO 9001:2015 certified Institution and accredited by NAAC with A+ grade.

- In the 8th semester one Professional Elective and one Open Elective Course are added with 3 Credits each.
- The Professional Electives are divided into 4 Streams such as Networks and Communication, Signal Processing, VLSI Design, Embedded Systems & IoT.
- The Electronics and Communication Engineering Subjects under recent trends are given as Open Elective courses to other branches.

B.E Biomedical Engineering

- From 3rd to 6th semester Soft- Skill Courses are included as Mandatory Courses.
- In the 3rd semester Sensors and Measurements Theory and Sensors and measurement lab courses are blended into Theory with Practical course and its credit is changed to 4.
- In the 5th semester Embedded Systems and IOMT Theory and Embedded Systems and IOMT lab courses are blended into Theory with Practical course and its credit is changed to 4.
- Idea lab is included in 5th Semester in the curriculum with 1 credit.
- Internship is added in 5th Semester in the curriculum with 1 credit.
- In 6th Semester Medical Imaging Systems is added with 3 credits.
- Mini project is introduced in 6th semester with 2 credits to enhance Students foundation for project ideas.
- In the 8th semester one Professional Elective and one Open Elective Course are added with 3 Credits each.
- The Professional Electives are divided into 4 Streams such as Bio Engineering, Management (Healthcare), Advanced Health care Devices and Communication .

- The Biomedical Engineering Subjects under recent trends are given as Open Elective courses to other branches.

M.E Applied Electronics

- It is requested that Credit for Research methodology and IPR is changed as 3 for the students admitted from 2025 academic year onwards.
- Internship is included in the 3rd Semester under Autonomous R2024 for M.E Applied Electronics.

The Members reviewed curriculum under Autonomous R2024 for B.E Electronics and Communication Engineering, B.E Biomedical Engineering and M.E Applied Electronics and resolved to approve the same.

2.2 Approval of the syllabi for 3rd to 8th Semester for B.E in Electronics and Communication Engineering programme for the students admitted in the year of 2024 – 2025 onwards

- The Members reviewed syllabus 3rd to 8th Semester for B.E in Electronics and Communication Engineering programme and resolved to approve the same.

2.3 Approval of the syllabi for 3rd to 8th Semester for B.E in Biomedical Engineering programme for the students admitted in the year of 2024 – 2025 onwards

- The Members reviewed syllabus 3rd to 8th Semester for B.E in Biomedical Engineering programme and resolved to approve the same.

2.4 Approval of the syllabi for 3rd and 4th Semester for M.E Applied Electronics programme for the students admitted in the year of 2024 – 2025 onwards.

- The Members reviewed syllabus 3rd to 4th Semester for M.E in Applied Electronics programme and resolved to approve the same.

2.5 Discussion and Approval of the Laboratory Requirements for UG/PG Courses under the Autonomous Regulations 2024.

- The Members reviewed Laboratory Requirements for UG/PG Courses under the Autonomous Regulations 2024 and resolved to approve the same.

2.6 Any other relevant points subject to the chair's approval.

Dr. G. SUCHITRA enquired about if Microwave Engineering related subjects is included in curriculum.

Dr. D. JUDE HEMANTH conveyed his wishes for effective curriculum and syllabus Planning.

Dr. KAMALRAJ SUBRAMANIAM suggested the following points to be consider

In Professional Elective the 4th stream Title should be changed from Communication to Bio Communication.

Include Biomechanics , Rehabilitation Engineering, Medical Coding, Medical Relate Affairs in any streams of Professional Electives.

Dr. S. ATHEENA MILAGI PANDIAN and **ER. LEO ARUL** gave their full acceptance for the new curriculum and syllabus.

- The meeting was concluded with a vote of thanks.

The board discussed and approved the following points as per the agenda:

2.1 Discussion and Approval of Curriculum under the Autonomous Regulations 2024

- We have framed the curriculum R2024 for the Department of Mechanical Engineering and following courses details are given below:

Semester	Theory Courses	Theory Cum Practical Courses	Employability Enhancement/ Practical Courses	Mandatory Courses	Total Credits
III	3	3	1	1	24
IV	3	3	-	1	19
V	3	3	2	2	22
VI	5	1	2	2	23
VII	5	1	1	-	19
VIII	2	-	1	-	16

- We have included Idea lab in the curriculum with 1 credit in V sem and Soft skill development 1 in sem 3, Soft skill development 2 in sem 4, Soft skill development 3 in sem 5, Soft skill development 4 in sem 6.
- The professional electives are divided four streams and compressing the subject related to Engineering Design, Energy Engineering, and Advanced Materials and Manufacturing system and industrial engineering.

- The mechanical engineering subjects is given as open elective courses for other branches.
- The summer internship programmes is included in the III semester with 1 credit for the PG Course.
- The members reviewed curriculum under Autonomous R2024 for B.E Mechanical Engineering programme, M.E Product Design and Development and resolved to approve the same.

2.2 Approval of the syllabi for 3rd to 8th Semester for B.E in Mechanical Engineering programme for the students admitted in the year of 2024 – 2025 onwards

- The members reviewed syllabus for 3rd to 8th Semester for B.E in Mechanical Engineering programme and resolved to approve the same.

2.3 Approval of the syllabi for 3rd & 4th Semester for M.E Product Design and Development programme for the students admitted in the year of 2024 – 2025 onwards.

- The members reviewed syllabus 3rd & 4th Semester for M.E in Product Design and Development programme and resolved to approve the same.

2.4 Discussion and Approval of the Laboratory Requirements for UG/PG Courses under the Autonomous Regulations 2024.

- The members reviewed Laboratory Requirements UG/PG Courses under the Autonomous Regulations 2024 and resolved to approve the same.

2.5 Any other relevant points subject to the chair's approval.

- Dr. T. Sentilvelan suggested to invite nearby industry experts to deliver lecture on course subjects.

Opening Meeting:

Principal, The Kavery Engineering college welcomed all the members of the Boards of Studies meeting. Principal briefed the major agenda of the meeting and elaborated on the common guidelines to be followed in the institution.

Meeting of the EEE Board:

Dr.V.Thirumurugan, Chairman/BoS welcomed the members and presented the revised curricula and syllabi under Autonomous Regulation 2024 of UG and PG programmes.

The board discussed and approved the following points as per the agenda:

Item No. 2.1 : Discussion and approval of curriculum under autonomous R2024

a) Change of credit of the subjects

- In 5th Sem- Control & Instrumentation lab is removed
- Measurement & instrumentation course is converted into theory cum practical course
- Control system course is converted into theory cum practical course
- Electromagnetic field course is converted into theory cum practical course

b) Introduction of Idea lab

AICTE sponsored IDEA lab is included in 5th semester curriculum for EEE students

c) Removal of Professional development lab

Professional development lab is removed in 4th semester curriculum

d) Introduction of Soft skill development courses from 3rd to 6th semester curriculum

e) Introduction of mini project in 6th semester curriculum

f) Inclusion of one Professional elective course and one open elective course in 8th semester curriculum

g) Introduction of summer internship in 5th and 7th semester

h) Inclusion of Internship in 3rd semester under autonomous R2024 for M.E(Power system Engineering) programme

The members have approved the above points

Item No. 2.2 : Approval of the syllabi for the 3rd to 8th semesters of the B.E Electrical and Electronics Engineering programme for students admitted in the year 2024-2025.

The members discussed the syllabi and suggestions were given for few courses as follows.

1. To remove few repetitive contents in Digital logic circuits course
2. To Rearrange the contents of Power Electronics course
3. To modify few contents in microprocessor and microcontroller course as per industry requirements
4. To redesign microcontroller based system design and embedded processor courses(Professional elective subjects)

The modifications are incorporated as given in the Annexure-I and members have approved the same for 3rd to 8th semester BE-EEE

Item No. 2.3 : Approval of the syllabi for the 3rd and 4th semesters of the M.E(Power System Engineering) programme for students admitted in the year 2024-2025.

The members discussed the syllabi as given in the Annexure-2 and approved the same for 3rd and 4th semester ME-PSE

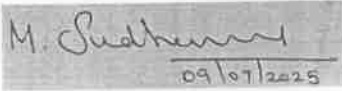

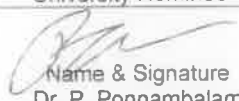

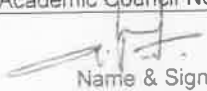

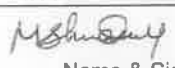

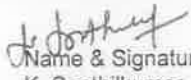

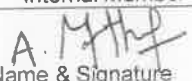

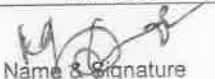

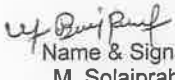

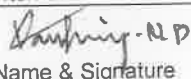

Item No. 2.4 : Discussion and Approval of the Laboratory Requirements for UG/PG Courses under autonomous R2024.

The members gave suggestions and approved the lab requirement for UG/PG courses under autonomous R2024.

Item No. 2.5: Any other relevant points subject to the chair's approval.

- Students can be encouraged to do NPTEL courses
- More focus to be given on embedded programming as per industry requirements

The meeting was concluded with a vote of thanks to the members.

The board discussed and approved the following points as per the agenda:

2.1 Discussion and Approval of Curriculum under the Autonomous Regulations 2024

- In the 5th semester Mass Transfer laboratory can be offered in 6th semester.
- In the 6th semester Chemical Reaction Engineering Laboratory and Process Equipment Design and Drawing Laboratory can be offered in 7th semester.
- We have included idea lab in the curriculum with 1 credit.
- Mandatory course I & II can be offered in 5th & 6th semester respectively. We have included Soft skill- I, II, III & IV offered in 3rd, 4th, 5th and 6th semester respectively.
- In the 6th semester the Mini project subject is added with 2 credit.
- Process Control laboratory can be offered in 6th semester instead of 7th semester.
- In the 8th semester 2 subjects are added with credit of 3.
- Professional Elective VI can be offered in 7th semester instead of 8th semester. Management elective and Human values and Ethics courses are offered in 7th semester.
- Open Elective III can be offered in 8th semester instead of 7th semester.
- The professional electives are divided in to 4 streams such as Petroleum Process Technology, Energy Engineering, Biochemical Engineering and Environmental and Safety Engineering.
- The chemical engineering subjects are given as open elective courses for other branches
- The members reviewed curriculum under Autonomous R2024 for B.Tech Chemical Engineering programme and resolved to approve the same.

Principal, The Kavery Engineering college addressed all the members of the Boards of Studies in the opening meeting. Principal briefed the major agenda of the meeting and elaborated on the common guidelines to be followed.

Meeting of the Civil Board:

Mrs.S.Prabhavathi, Chairman/BoS welcomed the members and presented the draft curricula and syllabi under Regulation 2024 of UG and PG Programme.

The board discussed and approved the following points as per the agenda:

2.1 Discussion and Approval of Curriculum under the Autonomous Regulations 2024

B.E.Civil Engineering

- In the 3rd semester Surveying and Levelling, Construction Materials and Technology theory and lab are integrated and the credits are changed as 4.
- In the 4th semester Soil Mechanics Engineering theory and lab are integrated and the credits are changed as 4.
- Introduction of Idea lab

AICTE sponsored IDEA lab is included in 5th semester in the curriculum with 1 credit.

- In the 6th semester Irrigation Engineering and Drawing theory and lab are integrated and the credits are changed as 4.
- In the 7th semester the Hydrology and water Resources Engineering subject is added.
- In the 7th semester the Creative and Innovative project subject is added with credit of 2.
- In the 8th semester 2 subjects are added with credit of 3.

- The professional electives are divided in to 4 streams such as Structures, Construction Techniques, Geotechnical & Geo-informatics and Environmental Engineering.

B.Tech. Agricultural Engineering

- In the 3rd semester Mechanics of Machines theory and lab are integrated and the credits are changed as 4.
- IDEA lab is included in 5th semester in the curriculum with 1 credit.
- In the 6th semester the Mini project subject is added and the credits are changed as 2.
- In the 8th semester 2 subjects are added with credit of 3.
- The professional electives are divided in to 3 streams such as Food Processing, Farm Machinery and Energy & Water Management and Protected Cultivation.
- The Civil and Agricultural Engineering subjects are given as open elective courses for other branches .
- From 3rd to 6th Semester Soft Skill Courses are included as Mandatory Courses with Non Credit for Both B.E Civil Engineering and B.Tech Agricultural Engineering programme.
- The members reviewed curriculum under Autonomous R2024 for B.E Civil Engineering and B.Tech Agricultural Engineering programme, M.E Construction Engineering and Management, M.E. Environmental Engineering and resolved to approve the same.

2.2 Approval of the syllabi for 3rd to 8th Semester for B.E in Civil Engineering and B.Tech Agricultural Engineering programme for the students admitted in the year of 2024 - 2025 onwards

- The members reviewed syllabus 3rd to 8th Semester for B.E Civil Engineering and B.Tech Agricultural Engineering programme and resolved to approve the same.

2.3 Approval of the syllabi for 3rd to 4th Semester for M.E Construction Engineering and Management, M.E. Environmental Engineering programme for the students admitted in the year of 2024 - 2025 onwards.

- The members reviewed syllabus 3rd to 4th Semester for M.E Construction Engineering and Management, M.E. Environmental Engineering programme and resolved to approve the same.

2.4 Discussion and Approval of the Laboratory Requirements for UG/PG Courses under the Autonomous Regulations 2024.

- The members reviewed Laboratory Requirements UG/PG Courses under the Autonomous Regulations 2024 and resolved to approve the same.

2.5 Any other relevant points subject to the chair's approval.

- Dr.S.Praveenkumar pointed out that step-up the Strength of material subject into 3rd Semester and dropdown the water and waste water engineering subject to 4th Semester and other members suggested that keep the both subject as in the Curriculum R2024.As per the Dr.Jayanthi mam concern the students may be familiar with Engineering chemistry in 1st Semester so proceed the water and wastewater Engineering subjects as per Curriculum R2024 and we accepted Dr.S.Praveenkumar sir suggestion on fourth coming academic year admitted 2025-2026.
- Dr. J. Jayanthi mam suggested Change of course name of Earth and Earth Retaining Structures into Earth Retaining Structures.
- Dr.Sofi mam suggested that Change of course name surveying and levelling into Advanced Surveying.
- Dr.Sofi mam suggested that Change of course name Estimation, costing and valuation Engineering into Estimation and Costing.
- Dr.R.Sivagamasundari mam pointed out the Change of course name of Design of steel structural Elements into Design of steel structures in 6th sem.
- Dr. Dr.Sofi mam had been suggested Change of course name Computer Applications in Structural Engineering Laboratory into Computer Analysis in Structural Engineering Laboratory.

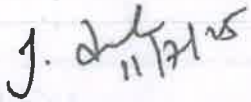

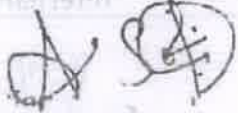

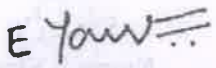

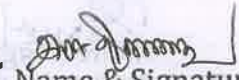

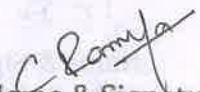

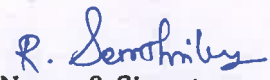

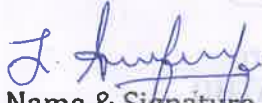

- Dr.R.Sivagamasundari mam pointed out the Change of course name of Dynamics and Earthquake Resistant Structures into Structural Dynamics and Earthquake Resistant Structures in Professional Electives
- Dr.R.Sivagamasundari mam pointed out the Change of course name of Climate Change Adaptation and Mitigation into Natural disaster migration and management 6th sem.
- Dr.S.Praveenkumar suggested that change course name of Strength of materials for agriculture into Strength of materials.
- Dr.jeyanthi mam suggested add one core paper in Semester V in Agricultural engineering Curriculum
- Members suggested to modify the credit as 3 in subject 'Research Methodology and IPR' for PG Courses.

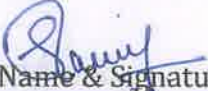

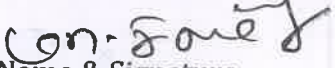

2.6 .Vote of Thanks.

The meeting was concluded with a vote of thanks to the members.
