About The Department

This department was established during the Academic year 2006.The Department has excellent infrastructure available for use by the students. It is the endeavor of the management to periodically migrate to the latest software and hardware to keep pace with the ever changing needs of the industry, so that our students come out with knowledge of latest technology in both software and hardware.

The department is resource centre for National Cyber Safety & Security Standards (NCSSS), an autonomous body governed by National Advisory Board of Security.

The department has a permanent tieup with Infosys Ltd., an Indian Multinational Corporation by the name of Infosys Campus Connect under Institution Industry Collaboration scheme.
